**NEWTON'S ACADEMY**

**Training, Certification & Global Skill Development**

Newton's Academy bridges academia, industry, and law enforcement through internationally aligned cyber forensics and cybersecurity education. Newton Forensics has officially evolved into ForenX Technologies Pvt. Ltd., expanding its capabilities into a dedicated training and education vertical - Newton Forensics Academy.

**WHY NEWTON ACADEMY STANDS APART**

- Industry-driven, lab-based learning environment
- Programs aligned with EC-Council CHFI & ATC standards
- Curriculum updated every 6 months
- Designed and taught by certified forensic investigators
- Exposure to real-case methodologies

**ACADEMIC PROGRAMS**

- Digital Forensics Foundation & Specialist Program
- Multimedia Forensics Workshop
- Cyber Crime & Incident Response Bootcamp
- Evidence Handling & Courtroom Procedure

**CORPORATE TRAINING**

- SOC & Cyber Hygiene Training
- Insider Fraud & Forensic Readiness
- OSINT & Threat Intelligence
- Cyber Incident Response Capability Building

**LAW ENFORCEMENT PROGRAMS**

- Chain of Custody & Evidence Integrity
- Multimedia & Deepfake Authentication
- Mobile & Cloud Forensics
- AI-Assisted Investigations

**We deliver hands-on, tool-based training using real-world forensic methodologies and global certification standards.**

**NEWTON ACADEMY – BUILDING INDIA'S NEXT-GEN DIGITAL FORENSICS WORKFORCE.**
